

WALL FLORA

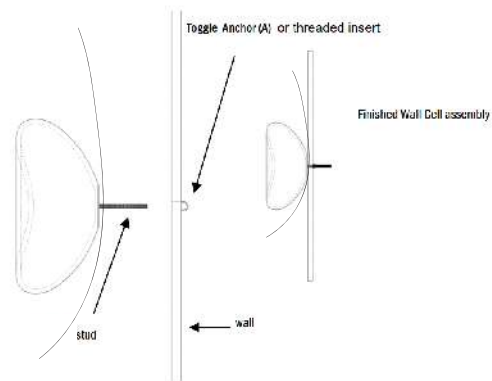

Delicate and refined, FLORA resembles a blooming flower. It can be arranged in many configurations; in a tight, dense, cluster, or scattered over a larger area. Each FLORA is made with a round blown glass centre in many colour options and finishes and can also include a second FLORA layer to add interest and texture to the installation.

Please inquire to have us design a custom configuration for your space.

With the theme in mind of Scale Through Multiples, these designs are wall mounted, unique sculptures which incorporate designs from our Studio Line. Each configuration can have a small or large cluster. Suitable for both commercial and residential spaces, WALL ELEMENTS enhances both indoor and outdoor environments.

Available in 4"D, 6"D, 9"D, 12"D and 16"D in a single layer or double layer. The Flora is made in the shiny finish with options for shiny, etched, mirrored or pearl centre.
