Welcoming Art Into the Realm of Daily Life

TUBES series is intended to be a study of scale multiples. Each TUBE can be shown individually or as a small or large grouping. The colour is key to the design, giving any environment a punch of colour.

TUBES are made in two different size clusters, the super large 40"H to 65"H with a thick 7-8"D base, and the standard base style of 20"H to 36"H at 4-5"D base.
